ALICIA MORENO

Registered Nurse, Intensive Care

alicia.moreno@example.com | +1 614 555 0187 | Columbus, Ohio | linkedin.com/in/example-alicia

PROFESSIONAL SUMMARY

Registered nurse with seven years in adult intensive care, the last three as a charge nurse on a 24-bed unit. Precepts new graduates and leads the unit's sepsis bundle audit.

WORK EXPERIENCE

04/2022 – Present
Charge Nurse, Medical ICU
Riverside Regional Medical Center | Columbus, Ohio

- Coordinate staffing and patient flow for a 24-bed unit across 12-hour shifts, with up to 11 nurses per shift.
- Led the sepsis bundle audit that raised on-time antibiotic administration from 78% to 94% in nine months.
- Precepted 14 new-graduate nurses through orientation; 13 were still on the unit a year later.

06/2019 – 03/2022
Staff Nurse, Medical ICU
Riverside Regional Medical Center | Columbus, Ohio

- Cared for two critically ill patients per shift, including ventilated and CRRT patients.
- Served on the unit practice council that rewrote the central line care checklist.

07/2017 – 05/2019
Registered Nurse, Step-Down Unit
Mercy Valley Hospital | Dayton, Ohio

- Managed four to five telemetry patients per shift and their transfers to and from intensive care.
